The New York Mets Foundation and KaBOOM! Put Kids First by Increasing Access to Play in Far Rockaway

200 Community Volunteers Join Forces to Build a New Playground with The Child Center of NY

Volunteers from the New York Mets Foundation, The Child Center of NY and the community will join KaBOOM! on Thursday, May 30 to transform an empty site into a kid-designed, state-of-the-art playground in just six hours at the Dix Avenue Apartments. The new playground will help make play the easy choice for kids and families in Far Rockaway.

Play is essential to physical, creative, cognitive, social and emotional development. Currently, the kids in Far Rockaway are in need of quality places to play. In March, kids from the surrounding community came together to draw their dream playground. The new playground is based off their drawings and will provide thousands of kids with a great, safe place to play over its lifetime.
This playground is part of a broader effort led by the New York Mets Foundation and KaBOOM! to ensure communities have great PLAYces for kids and families. It will be the first build by the New York Mets Foundation. Through this partnership, the New York Mets Foundation and KaBOOM! are creating an oasis where kids feel valued and loved, and where their potential is supported, nurtured and celebrated.
